Print out the last page and fill it in. Be sure to set the printer to print in landscape orientation! Be creative about your imaginary gift. It could be hugs and kisses. or good luck, or something wild like a trip to the moon! Or it could be something practical, like washing the dishes for a month. [Click here](#) for a link to a page of tips and gift suggestions to use with this activity. You'll find links to some great free holiday clip art there also.

To avoid cluttering up the virtual gift card, I couldn't put buttons onto the last page. But if you click in the upper left corner, you can jump back to the title page to do another gift box.
